Peoria	6.3%	6.8%	-0.5
Rockford	6.2%	7.8%	-1.6
Springfield	4.7%	5.3%	-0.6
St. Louis (IL-Section)	5.7%	6.4%	-0.7
Illinois Statewide	5.6%	6.2%	-0.6

** Data subject to revision.*

CHICAGO—Twelve of Illinois' metropolitan (metro) areas experienced decreases in their over-the-year unemployment rate and eight of the metro areas had increases in nonfarm jobs, according to preliminary data released today by the U.S. Bureau of Labor Statistics (BLS) and the Illinois Department of Employment Security (IDES).

"Our job growth rate is still half that of the rest of the country," said IDES Director Jeff Mays. "Most of our job growth is concentrated primarily in the northeast corner of the state while downstate job growth continues to lag."

Illinois businesses added jobs in eight metro areas, in which the largest increases were seen in: Elgin (+2.1 percent, +5,300), Rockford (+1.9 percent, +2,900), and Lake-Kenosha (+1.6 percent, +6,800). Total nonfarm jobs in the Chicago-Naperville-Arlington Heights Metro Division increased (+1.2 percent or +44,900). Illinois businesses lost jobs in five metro areas including Carbondale-Marion (-2.5 percent, -1,400), the Quad Cities (-2.3 percent, -4,200), and Decatur (-1.5 percent, -800). The industry sectors recording job growth in the majority of metro areas were:

Retail Trade (nine of 14), Transportation, Warehousing and Utilities (nine of 14), Education and Health Services (eight of 14), Leisure and Hospitality (eight of 14), and Government (eight of 14).

Not seasonally adjusted data compares July 2016 with July 2015. The not seasonally adjusted Illinois rate was 5.6 percent in July 2016 and stood at 12.2 percent at its peak in this economic cycle in January 2010. Nationally, the not seasonally adjusted unemployment rate was 5.1 percent in July 2016 and 10.6 percent in January 2010 at its peak. The unemployment rate identifies those who are out of work and looking for work, and is not tied to collecting unemployment insurance benefits. 653**16

Total Nonfarm Jobs (Not Seasonally Adjusted) – July 2016

Metropolitan Area	July 2016*	July 2015**	Over-the-Year Change

East Central Illinois Highlights

Help Wanted

Area employers advertised for 4,400 positions in July and approximately 84 percent sought full-time employment, according to Help Wanted OnLine data compiled by the Conference Board, which is a global, independent business membership and research association. Employers actually need more workers than the help wanted advertising indicates because some industries, such as Construction, typically do not post advertised job openings. Employment opportunities were available in Transportation, Health Care, Sales, and Office Support Occupations in the summer of 2016. Job openings were also advertised for Education, Computer, and Management occupations. Installation, Maintenance, and Repair workers were also in demand. Many jobs were advertised in Food Service, Engineering, Finance, Social Services, and Production occupations.

Champaign-Urbana MSA

The not seasonally adjusted unemployment rate declined to 5.1 percent in July 2016 from 5.5 percent in July 2015. In July 2016 there were an estimated 6,000 unemployed in the labor force.

Non-farm employment increased from its year-ago level by +500. Retail Trade (+400), Government (+400), Education and Health Services (+300), Transportation, Warehousing, and Utilities (+100), Information (+100), Education-Health Services (+100), and Construction (+100) recorded job gains. Manufacturing (-300), Wholesale Trade (-300), Other Services (-200), Professional and Business Services (-100), and Leisure-Hospitality (-100) recorded an employment loss from July 2015.

Danville MSA

The not seasonally adjusted unemployment rate declined to 7.1 percent in July 2016 from 7.4 percent in July 2015. In July 2016 there were an estimated 2,500 unemployed in the labor force.

Non-farm employment increased from its year-ago level by +100. Retail Trade (+200), Wholesale Trade (+200), Transportation, Warehousing, and Utilities (+100), and Government (+100) recorded job increases. Manufacturing (-300), Education-Health Services (-100), and Other Services (-100) recorded an employment loss since July 2015.

Note:

- Monthly 2015 unemployment rates and total non-farm jobs for Illinois metro areas were revised in February 2016, as required by the U.S. Dept. of Labor, Bureau of Labor Statistics (BLS). Comments and tables distributed for prior metro area news releases should be discarded as any records or historical analysis previously cited may no longer be valid.
